

# MOMENTUM AWARDS

**SEPTEMBER 19, 2019 | RADISSON BLU AQUA**

Thank you for your interest in supporting 1871's mission to empower founders to **build the extraordinary.**

## Founders at 1871 are **bold with intent**

The community of entrepreneurs, innovators, and pioneers at 1871 are building businesses that create impact for our city, state, and nation. These businesses make Chicago bigger and cement its reputation as a leading tech hub by partnering with universities, corporations, and communities.

At The Momentum Awards, 1871 and the CEC celebrate these extraordinary founders and commemorate the tremendous impact that they've had on the city of Chicago. It is the opportunity for local leaders, founders, investors, and all those who support the city's tech and business ecosystem to come together for a night of networking, festivity, and ceremony.

### **LEAVE YOUR MARK ON THE 1871 COMMUNITY**

Whether it's an interactive digital display, augmented reality, or murals on the walls, there are a number of flagship projects that you can help bring to fruition and highlight your commitment to Chicago's tech and business ecosystem.
