

# MOMENTUM

10.1.2020 | Virtual

A FUSION of innovation landscapes led by the boundless energy of founders, growth scale companies, and innovative enterprises.

2020 THEME

# FUSION

1871 exists to inspire, equip, and support founders, growth-scalers, and innovators from all backgrounds building extraordinary businesses.

The 13th Annual Momentum Awards mark a new era in Chicago's technology ecosystem in ways best represented by the word "FUSION."

- 1. Collective Acceleration** | The combination of 1871 and the Illinois Technology Association (ITA) in February 2020 amplified the transformative power of "and," enabling acceleration from incubation to growth to corporate innovation.
- 2. Stronger Together** | Chicago's innovation leaders, 1871, mHUB, and MATTER, united in their COVID-19 response efforts, catalyzing the development of and access to novel solutions for unprecedented problems.
- 3. Transformative Solutions** | The convergence of emerging technologies creates opportunities to address complex problems of the moment and inspire revolutionary outcomes.

# A NEW EXPERIENCE

This year's 100% virtual program will honor innovation, inspire progress, and delight our community with a fully produced event experience unlike any other.

It is particularly historic, as Momentum 2020 combines the best of ITA's CityLIGHTS Awards and prior Momentum Awards to create a brand new format, award suite, and event environment that celebrates the future of Chicago's tech community with a complete shared vision.

This virtual not-to-miss experience includes studio produced segments, live appearances by Chicago's best, super surprise perks, and of course – the award ceremony itself.

# INVEST IN #CHICAGOTECH

1871's non-for-profit work in fueling Chicago's digital technology ecosystem is critically funded by the Momentum Awards.

To date, 1871 start-up alumni companies have created over 11,000 jobs and garnered over \$1.65 billion in capital, while our 301 growth stage companies from the ITA have helped make tech Chicago's fastest growing sector. But this is just the beginning. With your organization as a partner, we can grow this impact and make Chicago not just a leading tech hub, but also a beacon of economic recovery.
